

THERE IS GROWING CLAMOR FOR OUR

PIZZA.

It's not about twirling dough over your head or having Italian stonemasons fly in from Naples to install a custom wood-fired oven. It's about the ingredients: a handmade cracker-like crust full of basil and asiago cheese, brushed with housemade pesto. A deliciously uncomplicated sauce made from chunky San Marzano tomatoes and garlic. Fresh mozzarella. The same Molinari pepperoni we sell retail. No shortcuts, no preservatives, no bulk ingredients. And that makes all the difference.
